## 2020 Owatonna Junior Golf Camp

### CAMP OVERVIEW

The Owatonna Junior Golf Program, located at Owatonna Country Club, strives to bring enjoyment to boys and girls through the wonderful game of golf. Players of all skill levels are welcome, as well as members and non-members. Due to state guidelines regarding to the COVID-19 pandemic, we are making adjustments to the prior planned Camps. First, we are limiting the number of students in each class for increased student safety and instruction value. For this year only we have removed the end of the year gathering, golf polo participation gift, no 4-6 year old camp, and no make up dates. We will host two, three week camps focused on short game only. We are adding an additional camp called Academy 36. Our existing camp will be named the FUNdamental camp. FUNdamental camp will focus on making golf fun and learning the important fundamentals of playing the game. Academy 36 is for the young golfer looking for more advanced instruction. Participating in either program provides your child great instruction, and free entry into the revitalized Junior City Open. Come and join the FUN!
