OVERVIEW

The Owatonna Junior Golf Program, located at Owatonna Country Club and Havana Hills, strives to bring enjoyment to boys and girls through the wonderful game of golf. Players of all skill levels are welcome, as well as members and non-members. The Junior league is designed for a more experienced junior as 9 holes of golf will be played each week. The FUNdamental camps will focus on making golf fun and learning the important fundamentals of playing the game!

NEW THIS YEAR

We have changed the venue for the FUNdamentals to meet at Havana Hills. Once again we will meet 3 days in a row, Tuesday-Thursday and have 2 separate camps scheduled. One in June and one in July. You can sign up for one or the other or both if you like. The Junior League will play on Tuesdays, starting June 11th. We do not have any age restrictions for this league. The only requirement is that they are able to play on the course for 9 holes un-supervised. Once we have our numbers from the sign up we will form teams. Team numbers will be based on the sign up. Each team will have a Coach. Coaches will have team practices and set up their pairings for the weekly matches. Different formats will be used and a points list will be kept for overall standings!
